**26** very helpful      **5** somewhat helpful      **0** not helpful

**Did this workshop meet your expectations?**

**29** Yes

**0** No

### Suggestions for future workshop topics:

- More bottled water (cases).
- Bring back Igor next time.
- Treatment for tree diseases.
- Sample of grubs.
- Larger and clear learning materials, increase Mic's volume.
- More IPM in general.
- Water restrictions.
- Geese control.
- Sport Fields IPM.
- Sheet mulching or using mulch to prevent weeds.
- Invasive plant species control and prevention.

Please submit at the end of the workshop. *Thank You for Your Comments!*

- Plant right, don't plant a pest.
- Tell everyone to fill the front rows first lots of empty seat in between.
- Workshop itself is wonderful.

#### **General Comments:**

- Wonderful as usual!
- Very helpful for novices, as well as veterans.
- Great sandwiches and food layout.
- Great speakers.
- Thanks. Holtz did a nice job as host speaker.
- The speaker for the introduction and closing comments did a great job keeping my attention.
- Richard is a great MC!
- Good workshop.
- Very informative.
- Very good class.
- Very helpful, thank you.
- Great lunch, location and speakers.
- Great event.
- Tables would be helpful.
- Overall good workshop, great class.
- Speakers were very knowledgeable,
- Steve and Dr. Andrew provided very important information to the class. Good job.
- Please bring back the tables.
- This event has lots of good information.
- Please advise us if there are more classes or seminars to join.

Please submit at the end of the workshop. ***Thank You for Your Comments!***
